They are an added attraction which makes the rakhis much more amazing. Arranging these Rakhi sets with gifts and confectionaries is very interesting. If you want to know the different styles in which the Rakhi sets are arranged, keep reading the article.

Traditional Rakhi Set

This traditional Rakhi set is one of the most interesting ways to add beauty to the festival. This type of arrangement was famous since the earlier days and the young generation kids are also interested in celebrating the Rakhi in this old style only.

You can take a steel thali and decorate it in your own way, paint it with different colours or use the thread design for the thali. Your imagination and creativity play an important part in this thali decoration. Make sure that you have space for Rakhi, sweets and other important requirements in the thali.

Ceramic Thali Decoration

If you want your rakhi set to look different and beautiful then this is another option for you. Take a ceramic plate and paste it with a velvet cloth. You can select the velvet cloth according to your choice.

And if you want it to look more artistic, you can add kundans on the plate. This will enhance the look of your Rakhi set. Make sure that the bowls that you will place in the thali matches with the color of the thali.

You can even have the [Rakhi gifts delivery in Dubai](#) with this thali.

Bamboo Plate Decoration

This is a very unique idea and most of the people out there won't even thought about it. You can use the bamboo plates for the celebration of Rakhi this time. Take a cloth of the color and fabric you like. Stick the cloth to the bamboo plate. You can add other accessories as per your choice. If you find any bamboo bowls use them. Celebrate this Rakhi with chocolates on this unique thali.

Royal Thali Decoration

Give a dash of royal look to your thali this festive season. Take an oval shaped plate and two bowls; it would be better if you opt for a silver thali. Arrange another bowl to keep the sweets. Place small idols of your favorite gods in the plate. This thali arrangement is a simple one but it gives a different look. You can get [Rakhi gifts delivery in Dubai](#) with this thali.

Bronze Look

Usually, poojas are conducted in this bronze thali only. Take that bronze thali and decorate it with paint or threading design. Thread design is a better option than the paint as it can be removed and the plate can be again used for the poojas. Make sure that the bowls are decorated similarly. Add the chocolates in one bowl, kumkum, and rice in another.

These are some of the simple yet unique ideas of arranging the Rakhi sets (www.giftalove.com/rakhi-sets) this festive season. You can celebrate Rakhi with chocolates rather than sweets if you are bored.
